

Professor Hombre  
Chair, Search Committee  
Department of Biochemistry  
University of Towanda Healthy Sciences Center  
Towanda, Iowa

Dear Professor Hombre,

Thank you for your letter of March 6. After careful consideration, I regret to inform you that I am unable to accept your refusal to offer me an assistant professor position in your department.

This year I have been particularly fortunate in receiving an unusually large number of rejection letters. With such a varied and promising field of candidates it is impossible for me to accept all refusals.

Despite the University of Towanda's outstanding qualifications and previous experience in rejecting applicants, I find that your rejection does not meet my needs at this time. Therefore, I will assume the position of assistant professor in your department this May. I look forward to seeing you then.

Best luck in rejecting future applicants.

Sincerely,

Goddard Youville
